

GET CONNECTED WITH BRIDES EVERYWHERE!

Black Events & Advertising Inc. is the area's leading bridal marketing firm in the upper midwest. Having access to more brides than any other marketing/advertising company around, our specialty is connecting brides with local companies to create stress-free wedding planning.

We know that advertising is scary and your budget is limited. Our services will help you reach 1000's of brides more effectively maximizing your advertising dollars to get the best results!

Our advertising and marketing solutions are 100% industry-specific and reach brides in your area. Whether its through events, print or the web, we are the area's leading bridal experts and can put our resources to work for you.
